## County of San Luis Obispo

TO: Board of Supervisors

FROM: Planning and Building / Stephanie Fuhs, Planner III

DATE: 11/5/2013

SUBJECT: Submittal of a Resolution to approve an Avigation Easement from Pacific Gas and Electric Company, a California Corporation, for the San Luis Obispo County Regional Airport. District 3

### **RECOMMENDATION**

Adopt and instruct the Chairperson to sign the Resolution accepting the avigation easement for the San Luis County Regional Airport.

### **DISCUSSION**

Attached is an avigation easement document from Pacific Gas and Electric Company, a California Corporation, which grants an avigation easement to the County of San Luis Obispo over property near the San Luis Obispo County Regional Airport, together with a Resolution accepting said easement and directing the county Clerk-Recorder to record same. The avigation easement was required because the project site is within the Airport Review combining designation area. The project is for the construction of a 10,600 square foot, single story office building. The proposed project is within the Commercial Service land use category and is located on the northeast corner of Kendall Road and Prospect Street, adjacent to the southern city limits of the City of San Luis Obispo. The site is in the San Luis Obispo planning area.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

County Counsel reviewed and approved the easement and resolution as to form and legal effect.

### **FINANCIAL CONSIDERATIONS**

None.

### **RESULTS**

Approval creates an easement over the airspace above the said parcel. This airspace provides aircraft with unobstructed access to the airport runway.
